Dear Mr. Weisberg:

Thank you for the advance copy of your letter to the editor of the News-Post.

You have certainly done your homework in Latin American history and Central America in particular. And your analysis of the area is downright brilliant.

Unfortunately, the vast and I do mean vast majority of Americans do not have the dimmest notion of how shabby our record is south of Mexico. Including Mexico.

Thank you again and very best wishes,

Harry Prongas
